INTERNATIONAL SWISS ACCREDITATION SERVICES FOR ADULT AND HIGHER EDUCATION (ISASAHE)

We are an international accreditation service dedicated to advancing the quality and integrity of adult & higher education in business-related vocational and academic study programs and courses. As a non-governmental, independent quality assurance organization, we leverage the extensive experience of our staff, who bring years of combined expertise as quality assurance evaluators in adult education across North America, Europe, the Middle East, Africa, and Asia. Our mission is to provide comprehensive accreditation services that support the continuous improvement and quality enhancement of educational institutions worldwide.

Our commitment to excellence is reflected in our rigorous accreditation processes, which are designed to ensure that institutions meet the highest standards of education. By fostering innovation and promoting best practices, we empower institutions to deliver exceptional educational experiences that prepare learners for success in a dynamic and competitive global marketplace. Through our work, we strive to build a community of accredited institutions that uphold the values of integrity, excellence, and continuous improvement in adult and higher education.

Our Vision

To be the global benchmark in accrediting business-related vocational and academic study programs, empowering institutions and learners worldwide to achieve excellence in adult and higher education through rigorous standards, innovative practices, and unwavering commitment to quality.

Our Mission

To enhance the quality and integrity of adult and higher education in business-related study programs and courses globally by providing comprehensive and rigorous accreditation services. We ensure that institutions are legally recognized entities and collaborate with faculty to uphold the highest standards of academic excellence.

**We are dedicated to fostering continuous improvement, innovation,
and excellence in educational institutions.**

**We are dedicated to ensuring that learners receive the highest standards
of education to succeed in a dynamic and competitive global market.**

ACCREDITATION PROCESS

THE ACCREDITATION PROCESS STARTS WITH SECURING MEMBERSHIP & ACCREDITED INSTITUTION STATUS, FOLLOWED BY A THOROUGH SELF-ASSESSMENT CONDUCTED BY THE ADULT & HIGHER EDUCATION INSTITUTION

The journey to International Swiss Accreditation Services for Adult & Higher Education (ISASAHE) accreditation begins with securing membership and accredited institution.

Once a member and accredited institution, the Adult & Higher Education Institution can explore a range of prestigious accreditation options tailored to their unique needs, including;

- study programs accreditation, *or*
- individual course accreditation, *or*
- faculty accreditation *or*
- the Adult & Higher Education Institution has the opportunity to elevate its standards by pursuing comprehensive institutional accreditation; this prestigious recognition encompasses institute-wide accreditation, study program-specific accreditation, faculty accreditation, and even course-level accreditation (where applicable), showcasing a commitment to excellence across every facet of education

If an Adult & Higher Education Institution does not yet have a quality assurance system in place,

- it can opt for our Premier Accreditation, a tailored solution designed to guide institutions through the implementation of the 'ISASAHE Quality Assurance System,' paving the way to full institutional accreditation

ACCREDITATION PROCESS

Step 1: Begin your journey by submitting the Membership & Institution Accreditation Eligibility Application to achieve membership and accredited institution status.

Step 2: Review the ISASAHE accreditation criteria that best aligns with your institution's goals.

Step 3: Prepare a comprehensive Self-Assessment Report for the chosen accreditation path.

Step 4: Submit your Self-Assessment Report to the Accreditation Board for review.

Step 5: Receive your accreditation outcome with detailed feedback.

Step 6: Upon successful accreditation, proudly receive your official certificate and badge, symbolizing your institution's excellence.

MEMBERSHIP AND INSTITUTION ACCREDITATION

THIS VITAL FIRST STEP PAVES THE WAY TOWARD PURSUING ACCREDITATION WITH ISASAHE, SETTING YOUR INSTITUTION ON THE PATH TO EXCELLENCE AND GLOBAL RECOGNITION

Membership and Institution Accreditation is the initial and crucial step as it sets the foundation for the rigorous evaluation that follows. Membership and Accredited Institution signifies that the Adult & Higher Education Institution is a legal entity allowed to offer academic or vocational training in the country they are registered in and is committed to meeting certain standards of quality and excellence in education.

Membership and Institution Accreditation can enhance the institution's credibility and reputation, signaling to students, faculty, and stakeholders that it is dedicated to high educational standards and continuous improvement.

CRITERIA FOR MEMBERSHIP & INSTITUTION ACCREDITATION

- **Institution Information**
- **Institution Legality**
- **Mode of Instruction**
- **Type of Academic or Vocational Training Programs**
